*Percent Daily Values are based on a 2,000 calorie diet.
†Daily value not established.

How to use

- Add 30 ml (1oz.) of your water on the Immunitec shaker cup.
- Shake the pouch so the powder settles to the bottom, then tear along the top to open and empty the powder into the shaker cup.
- Secure the cover on the Shaker cup, shake thoroughly for about 15 seconds. Enjoy!
- You can also enjoy Booster Energy Performance mixed with any of the Immunocal products to boost glutathione activity and to enhance flavor. Just make sure to add the Booster Energy Performance Stickpack first into the shaker cup.

Features:

- Paraben Free**
- Lactose Free**
