

YOUR JOURNEY TO PEAK PERFORMANCE!

Immunocal Sport is an advanced formula designed to **optimize cardiovascular health and improve overall physical performance.** It features powerful Nitric Oxide precursors, Citruline and beet Root, that produce a vasodilatory (opening blood vessels) effect.

Immunocal benefits:

- 1.- Helps to **strengthen your immune system, preventing disease and infections.**
- 2.- **Detoxifies the body.**
- 3.- **Protects against oxidative stress**
- 4.- Helps **build and repair body tissues and build antibodies**

Immunocal benefits PLUS:

- 1.- **Reduces Muscle Soreness***
- 2.- **Speeds up recovery** from injury*
- 3.- **Maximizes** intensity, muscle strength, and endurance*
- 4.- **Increases** muscle mass*
- 5.- **Improved exercise tolerance** allows for longer and more frequent workouts*

Other Benefits

Immunocal Sport is the ideal pre-workout nutritional supplement for professional athletes as well as sport enthusiasts. Backed by science and research.

** Daily Value not established.

How to use

Add 30 ml (1oz.) of your favorite beverage on the Immunotec shaker cup.

Shake the pouch so the powder settles to the bottom, then tear along the top to open and empty the powder into the shaker cup.

Secure the cover on the Shaker cup, shake thoroughly for about 15 seconds. Add more liquid if desired and enjoy!

You can also enjoy Immunocal mixed with our Booster Reds and Greens and Booster Energy performance.
